

What Is Fee-Only?

Fee-Only means the **only source of compensation your financial advisor receives is from fees paid directly to the advisor from clients**. This could be in the form of an hourly fee, a retainer fee or a fee based on a percentage of the assets under investment management.

We never in any situation sell products and receive commission as part of our compensation. We voluntarily eliminated any commissions from our compensation model to be objective and eliminate a conflict of interest as it pertains to compensation.

Any compensation we receive is fully disclosed and transparent.
